Proceeds benefit the Texas Legislative Internship Program.

TLIP has provided more than 700 students valuable experiences in the Texas Legislature, the offices of the Texas Governor, Lieutenant Governor, and the Chief Justice of the Supreme Court, city and county offices, and even Texas Monthly magazine. TLIP continues to be an outstanding success thanks to ongoing partnerships and support from the Mickey Leland Center at Texas Southern University, the Texas Legislature, Harris County, the Beaumont Foundation and generous sponsors of this important biennial event. Many of the program's former participants continue to work in public service at the federal, state, and local levels of government, including three current members of the Texas House of Representatives and three current Harris County Court at Law Judges.
